November 2015

President Kathy's Chatter

"Together making a difference
through service"

The District meeting started out the month. The Regional Officers shared interesting information. We also had a speaker demonstrate facial yoga. She was very entertaining. After the meeting about a dozen of us took the tour of Shriners Hospital. What an amazing job they do there. If you missed it, you will get another chance since the Winter District meeting will also be there.

Great job Katha and your committee members!! Boy did we have a good time at Bunco! We were expecting about 80 people, but "only" had around 70. The place was jumping. I couldn't even be heard with a microphone and that's saying a lot with my dainty little voice. It was a tremendous success. We had homemade coffee sweets and about eleven different kinds of homemade soups. All were delicious and we made over \$2000. One thought was to take a portion of the proceeds and donate it to the recent fire victims.

We will be discussing that at our Board meeting and making a recommendation to the Club for a vote at our November Business Meeting.

Our next big function is the Candy Roll project on December 2nd. We will need to make about 800 this year. Come join us putting empty toilet paper rolls to good use.

I believe there are a couple members who have not signed up for a committee yet. Please feel free to volunteer to work on one of the committees. It is really rewarding to be part of something that makes a difference in the lives of women and children. You also find out more about other members by working together.
