Soroptimist International of Sacramento North (SISN) is a member of the world's largest classified business and professional women's service organization who work to improve the lives of women and girls, in local communities and throughout the world. Almost 95,000 Soroptimists in 120 countries and territories contribute time and financial support to community-based and international projects that benefit women and girls. Soroptimist International was founded October 3, 1921 in Oakland, California.

SISN was chartered April 13, 1954. Our members engage in professions and careers and come together for mutual support, friendship and to serve the community in which we live. Members contribute their time and raise funds for many local and international service projects.
