## Community Service Awards - Grant Application

*made possible with the generous contribution of Joanne Briggs*

Soroptimist International of Sacramento North (SISN) is a member of the world's largest business and professional women's service organization, which works to improve the lives of women and girls in local communities and throughout the world. Almost 95,000 Soroptimists in 120 countries and territories contribute time and financial support to community-based and international projects that benefit women and girls. Soroptimist International was founded October 3, 1921 in Oakland, California.

SISN was chartered April 13, 1954. Our members engage in professions and careers and come together for mutual support, friendship, and to serve the community in which we live. Members contribute their time and raise funds for many local and international service projects. We received a generous contribution by member Joanne Briggs which also helps to extend our community reach.

The Service Fund Grant Program is designed to make the most democratic process of choosing how our hard-earned funds will be distributed. Grants are limited to \$1,000 each.
