President Kathy's Chatter

"Together making a difference through service"

Wow we are off to a great start this year. I want to thank everyone who attended our retreat in July. Working together we were able to fill all of our committees with great members and got Chairs for almost every committee. Committees really make a difference to our success. Together we can make a larger impact in the community than we can individually. We are already working on some of this year's activities.

We had a Service Committee meeting on 8/18. Thanks Mary for jumping right in. There is a lot of work to do involving this committee. So don't be shy, remember working together is what makes it fun!

We also have a Crab Feed meeting on 9/22. It is great that we are getting a head start on the many hours of work that go into making this event a success.

Don't forget we have the District 3 Meeting on 10/10, Bunco on 10/24 and the Garage Sale in April.

Let's all try to recruit new members to help the Growth and Development committee with their daunting task. It is going to be a fun year. Thanks for your support.
